She passed around the volunteer signup sheet and Judy passed one around for sale volunteers.

Community Service

Charity committee :

August donations: CASA – 2 Granbury Care Center - 36 "Jennifer's Quilts" - 4
Veterans Assistant Officer—3 Accident Victim—1
Cancer Patient—1

Lynne Schoeneman

Just as a reminder, the following are suggested sizes for our community service projects:

For Harris Texas Health Resources Neonatal units:

(Any and all sizes are greatly appreciated) Preemie quilts (can be pastel or bright colors) 18" square to 36" square. Soft cottons or flannel on top and backing. No batting is needed for quilts using flannel. No tied quilts for these tiny ones. No fleece is allowed in the hospital, as fleece can harbor germs even after washing. Isolette covers 36"x46" made with batting. According to the NICU Neonatal Supervisor, Stephanie Eidson, the quiet darker environment of a covered isolette help the babies sleep and grow better.

For CASA Babies and Children:

These are suggested finished lengths of the quilts for our CASA children. They are sized so they are about 10 inches longer than the average height of a child at that age. Children's quilts don't have to be fancy. Please make them in BRIGHT, CHILD APPROPRIATE FABRICS. They will be dragged around, machine washed and loved to pieces.

Newborn through 1: Up to 44" or 42" square — Age 2 through 4: 45" to 47" length (44-45" wide)
Age 4 through 6: 47" to 52" length (45-46" wide) — Age 7 through 8: 53" to 55" length (46-48" wide)
Age 9 through 10: 57" to 59" length (50" wide) — Age 11 and older: 62" length (50" wide)
The width of the quilts should be no more than 50" for the older kids. These quilts are just for loving and dragging around, not for their beds. These are approximate sizes. We frequently have children that are only one year apart in the same family, so it is nice if the 3-year-old child has a quilt that is smaller than a 4-year-old sibling, for example. We will happily accept any quilt, but these suggested sizes make it easier to have the right size and age appropriate quilt available.

Quilts Beyond Borders:

40"- 45" wide & 48"- 60" long in kid friendly fabrics (https://quiltsbeyondborders.wordpress.com for more information)

Nursing Home Throws and Wheelchair Quilts:

Suggested sizes for wheelchair 38"-40" wide by 40"-46" long and for lap 50"-55" wide by 60"-70" long. (However, we will find homes for any size you make.) We need patriotic quilts for veterans. Their eyes light up when they see them and appreciate their service being recognized. Twin and larger size quilts will be used for disaster relief.

Block of the Month

Block of the Month: We are returning to our regular monthly drawings. Please bring finished blocks for your chance to win. Our "BIG" drawing will again be in February. I will also have a "FREE Pattern" suitable for blocks or quilt tops available to all members. It would be great for CASA, Habitat, Jennifer's Quilts, or our friends in south Texas depending on your fabric choice. *Thanks! Wanda Greene*
